Dear Parents,

It gives me great pleasure to present Ysgol Pant Pastynog's Prospectus to you. You will find in it relevant details about the school – its aims and its organisation.

We are proud of our happy and homely school where each individual is respected and treated equally. Within this atmosphere we offer a wide and comprehensive education giving our children opportunities to develop into re-sponsible and confident members of their community.

This is a natural Welsh School as most of our children come from homes where Welsh is spoken. Welsh is the main language used for teaching and our aim is for every child to be bilingual by the time they leave for high school.

I'm sure that your child/children will be happy here and that we can work together happily for many years.

It is a Church of Wales voluntary controlled school. In 1864, Peter Jones left a plot of land in his will with the intent of building a school in Prion for the children and the poor of the parish. Since then, an extra room was built in 1890 and a canteen in 1960.

There are three classrooms – one for Foundation Phase children, one for Yrs 3 and 4 and another for Yrs 5 and 6.

The school Hall is used for activities such as targeting groups, instrument lessons, co-worship, physical education and is used as a canteen at lunch time.

Curriculum

From September 2022, Ysgol Pant Pastynog has adopted the New Curriculum for Wales. The new curriculum is designed to realise the Four purposes of developing your child/children to become:-

- *an ambitious, capable learner, who is ready to learn throughout their life,*
- *an enterprising, creative contributor, who is ready to play a full part in life and work*
- *a principled, informed citizen, who is ready to play a role in Wales and the world, and*
- *a healthy, confident individual, who is ready to live a full life as a valuable member of society.*

Here at Ysgol Pant Pastynog, your child will learn through the six Areas of Learning and Experience namely - Expressive Arts, Health and well-being, Humanities, Languages, literacy and communication, Mathematics and numeracy and Science and technology (including computer science).

Linked to the six Learning Areas they would learn literacy, numeracy and digital skills across the curriculum. The curriculum also covers:

- *human rights*
- *diversity and respect for differences*
- *experiences and skills for careers and the workplace*
- *learn about local, national and international contexts*
- *Relationships and Sexuality Education, which is appropriate in terms of the child's development.*

Each area of learning and experience includes statements of what is important that guides the learning of children of all ages. These help your child to think about what they are learning and how subjects connect with each other, with work and with life. They also help children make progress each year as they build their skills and understanding.

The teachers plan according to the What matter's statements in each Area of Learning and Experience. In the Foundation Phase, we give the children the opportunity to learn through play in the different learning areas: language area, investigative, number, construction, ICT, outside area and creative area. It is taught entirely through the medium of the Welsh language. In Key Stage 2, although Welsh is the main teaching language, English is introduced and this is used when collecting and presenting information within all the Areas of Learning.

We do our best to prepare a scheme of work that is suitable for all abilities and attainments aiming to ensure consistency, progress and progression in every aspect of the curriculum. This is done within a happy and positive atmosphere which promotes learning. The children are encouraged to develop self-confidence and independence while learning skills in a variety of situations.

Homework is set occasionally, to complement the work going on in class. We kindly ask that the children read regularly at home please.

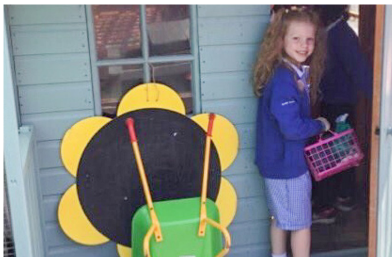
Outdoor Area

Mae'n gardd yn ardal amgylcheddol braf – yn le i'r plant ymlacio amser chwarae yn ogystal â bod yn le addas i gael gwersi ynddo. Mae'n le gwych i gael gwersi Gwyddoniaeth ac fe gawn ambell i stori yn y pergola. Mae'r Ardal Gloddio yn denu'r plant i chwarae'n greadigol iawn. Yn y Gwanwyn, mae gynon ni lefydd addas i blannu blodau ym mlaen yr ysgol er mwyn gwneud y lle'n fwy deniadol. Yn ein gardd gan fod angen dyfrhau'r planhigion, mae gennym dwbiau dŵr i ddal y dŵr glaw sy'n disgyn o do'r garej.

Mae gan plant y Cyfnod Sylfaen ddosbarth tu allan, sy'n addas i'w ddefnyddio ymhob tywydd, ble byddent yn gallu dysgu a chwarae tybiau tywod a dŵr.

Our garden is an environmentally friendly area – where children can relax at playtime and a place where lessons can be held. It's an excellent setting for our Science lessons and the pergola can be used for storytelling. The Digging Area offers the children an opportunity to play creatively. In the Spring, there are suitable places to plant flowers in front of the school in order to make the place more attractive. In our garden as the plants need to be watered, we have water tubs to catch the rainwater that falls from the garage roof.

Children in the Foundation Phase have an outside classroom, which is suitable for use in all weathers, where they are able to learn and play in sand and water tubs.



Addysg Cydberthynas a Rhywioldeb
Relationships and Sexuality Education

Mae pwnc Addysg Rhyw yn cael ei addysgu gyda sensitifrwydd. Nid yw'n bwnc ar wahân ond wedi'i integreiddio i'r ddarpariaeth addysg bersonol, gymdeithasol ac iechyd. Mae'n galw am fod yn agored yn yr ystafell ddosbarth ac atebion gonest i gwestiynau wrth iddynt godi o wersi unigol yn hytrach na gwersi unigol sy'n cael eu neilltuo i'r pwnc gyda'r dosbarth cyfan. Dylai pwysigrwydd bywyd teuluol a pherthnasau cariadus a gofalgar yn y cyddestun hwnnw fod yn nodwedd ganolog o'r agwedd hon ar y Cwricwlwm. Os oes unrhyw riant yn pryderu am yr agwedd hon ar y cwricwlwm, yna mae croeso i chi ei drafod gyda'r Pennaeth.

The subject of Sex Education is taught with sensitivity. It is not a discrete subject but integrated into the personal, social and health education provision. It calls for openness in the classroom and honest replies to questions as they arise from individual rather than isolated lessons devoted to the subject with the whole class. The importance of a family life and loving and caring relationships within that context should be a central feature of this aspect of the Curriculum. If any parent is concerned about this aspect of the curriculum then please feel free to discuss it with the Headteacher.

Ysgol Uwchradd
Secondary School

Ar ddiwedd eu cyfnod yn yr ysgol, mae'r disgyblion yn mynd i Ysgol Uwchradd Glan Clwyd. Mae cyswllt gref rhwng Ysgol Glan Clwyd â ni. Trefnir gweithgareddau trosglwyddo a bydd aelod o staff o'r ysgol uwchradd yn ymweld â'r disgyblion ar ddiwedd tymor yr Haf.

At the end of their time in the school, the pupils go to Ysgol Glan Clwyd. There is a strong link between Glan Clwyd and us. Transitional activities are arranged and a member of staff from the high school comes to meet our pupils at the end of the Summer term.

There is an Open Evening in local High Schools at the start of the Autumn term to give pupils and their parents an opportunity to visit the school. Pupils can also spend a day in the High School during the Summer term to have a taste of life in a secondary school.

Anghenion Dysgu Ychwanegol - *Additional Learning Needs*

Nod yr ysgol ydi datblygu pob disgybl hyd at eithaf ei allu ac mae'r ddarpariaeth ar gael yn cynorthwyo'r disgyblion i wneud hynny. Yr ysgol sy'n gyfrifol am leoli'r plant ar y camau a nodir yng Nghod Ymarfer Anghenion Dysgu ychwanegol Cymru ac am fonitro, adolygu ac am ddyrannu adnoddau.

Y Pennaeth â'r Cydlynydd Anghenion Dysgu Ychwanegol CADY (sef Manon Tudur) sy'n gyfrifol am gydlynu'r ddarpariaeth briodol, gan gynnig cefnogaeth ac arweiniad i athrawon a rhieni o fewn yr ysgol. Mae aelod o'r Corff Llywodraethol hefyd wedi'i dewis i fonitro'r ddarpariaeth.

The aim of the school is to develop every pupil to the best of his/her ability and provision is in place to enable pupils to do this. It is the school's responsibility to place children in the stages described in the Welsh Additional Learnin Needs Code of Practice', and to monitor, review and allocate resources.

The Headteacher with the Additional Learning Needs Co-ordinator of ALN (Manon Tudur) is in charge of the appropriate interventions as well as providing support and guidance to teachers and parents within the school. A member of the Governing Body has also been chosen to monitor the provision.

Cyfle Cyfartal *Equal Opportunities*

Yn Ysgol Pant Pastynog, caiff pob plentyn ei werthfawrogi waeth beth fo'i hil na'i ryw – rhown yr un chwarae teg i bawb. Ategir hyn yn y Polisi Cyfle Cyfartal a gadarnhawyd gan y Corff Llywodraethol.

Mae'r plant yn gweithio mewn grwpiau cymysg a chaiff pob plentyn y cyfle i gymryd rhan yng ngweithgareddau'r ysgol. Ceisiwn sicrhau nad yw themâu a gyflwynir yn yr ysgol yn portreadu rôl-stereo nac yn ffafrio un plentyn ar draul y llall.

In Ysgol Pant Pastynog, every child is valued – whatever his/her race or sex - we treat every child fairly. This is rein-forced in the Equal Opportunity Policy which has been accepted by the Governing Body.

Children work in mixed groups and every child has the opportunity to take part in school activities. We strive to ensure that no themes used in school portray stereotypical roles or favour one child over the other.

Darpariaeth ar gyfer plant ag anableddau *Provision with pupils with disabilities*

Addaswyd yr ysgol fel bod mynediad addas parhaol ar gyfer pob ymwelydd â'r ysgol. Rydym am sicrhau na fydd plentyn anabl, waeth beth fo'i anabledd, yn cael ei drin yn llai ffafriol na phlant eraill.

The school has been altered so that there is permanent suitable access to the school for everyone. We aim to make sure that no disabled child, whatever his/her disability, will be dealt with less respect than any other child.

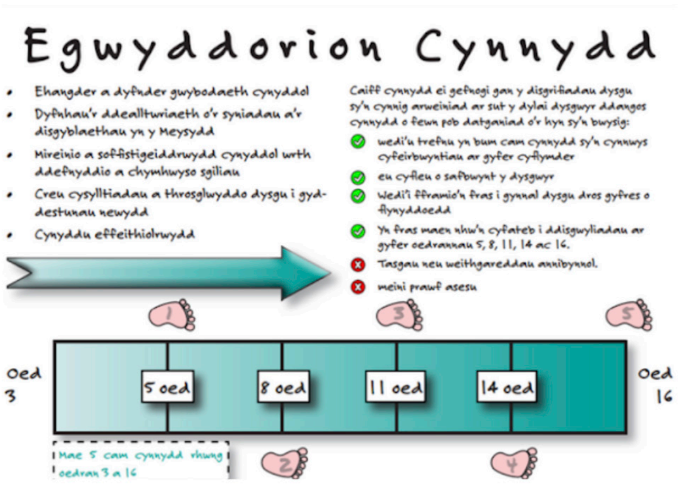
Cynnydd ac Asesu

Mae canllawiau Cwricwlwm i Gymru yn nodi ein bod yn asesu am dri rheswm allweddol sef:

- cefnogi dysgwyr unigol yn barhaus, o ddydd i ddydd,
- nodi, cipio a myfyrio ar gynnydd dysgwyr unigol dros amser,
- deall cynnydd grŵp er mwyn myfyrio ar arfer.

Mae asesu yn rhan allweddol i gefnogi pob dysgwr unigol i wneud cynnydd ar hyd yr un continwwm ar gyflymder priodol, gan sicrhau eu bod yn cael eu cefnogi a'u herio i gyrraedd eu potensial. Mae asesu yn ymwneud ag asesu cynnydd dysgwyr yn barhaus - peidio â llunio barn un tro ar adegau penodol mewn pryd. Mae angen asesu i adlewyrchu y gall dilyniant dysgwyr fod yn amrywiol gyda chryfderau gwahanol ac mae angen iddo wella felly nid yw'n gwneud synnwyr categoreiddio dysgwyr i lefel 'ffit orau' benodol. Rydym yn defnyddio'r Disgrifiadau Dysgu ar gyfer bob Datganiad o'r hyn sy'n bwysig ar gyfer asesu a chynllunio ar gyfer cynnydd dysgwyr. Mae'r rhain yn fras i ddisgwyliadau ar gyfer oedrannau 5, 8, 11, 14 ac 16 oed, ac yn cynnig arweiniad ar sut y dylai dysgwyr ddangos cynnydd o fewn pob datganiad.

Yn Ysgol Pant Pastynog rydym yn defnyddio amrywiol strategaethau asesu fel diben cyffredinol i gefnogi pob dysgwr i wneud cynnydd. Yn ogystal â hyn, mae asesu yn llywio'r camau nesaf o ran dysgu ac addysgu. Mae ein hasesiadau'n cefnogi cynnydd dysgwyr unigol yn barhaus o ddydd i ddydd; yn nodi, cofnodi a myfyrio ar gynnydd dysgwyr unigol dros amser; ac yn deall cynnydd grwpiau er mwyn adlewyrchu ar ein hymarfer. Rydym hefyd yn asesu ac yn monitro lles pob dysgwr (PASS). Defnyddir yr asesiadau hyn i lunio ciplun manwl sy'n darparu targedau cyrhaeddiad, cynnydd a lles.



Cynnydd ac Asesu

The Curriculum for Wales guidelines state that we assess for three key reasons which are:

- *support individual learners continuously, day to day,*
- *note, capture and reflect on the progress of individual learners over time,*
- *understand group progress in order to reflect on practice.*

Assessment is a key part of supporting each individual learner to progress along the same continuum at an appropriate pace, ensuring that they are supported and challenged to reach their potential. Assessment is about assessing learners' progress on an ongoing basis - not making a one-off judgment at specific points in time. Assessment needs to reflect that learner progression can be varied with different strengths and needs to improve so it does not make sense to categorize learners into a specific 'best fit' level. We use the Learning Descriptions for each Statement of what matters for assessment and planning for learner progress. These roughly correspond to expectations for ages 5, 8, 11, 14 and 16, and offer guidance on how learners should demonstrate progress within each statement.

At Ysgol Pant Pastynog we use various assessment strategies as a general purpose to support all learners to make progress. In addition to this, assessment informs the next steps in terms of learning and teaching. Our assessments continuously support the progress of individual learners on a day-to-day basis; notes, records and reflects on the progress of individual learners over time; and understand the progress of groups in order to reflect on our practice. We also assess and monitor the wellbeing of all learners (PASS). These assessments are used to draw up a detailed snapshot that provides attainment, progress and well-being targets.
